## MANY DELEGATES

Attending the Twenty-Eighth Annual Meeting

OF THE CINCINNATI BRANCH OF

THE WOMAN'S FOREIGN MISSIONARY SOCIETY OF THE M. E. CHURCH - THE PROCEEDINGS OPENED YESTERDAY MORNING AT FOURTH STREET M. E. CHURCH - UNDER AUSPICIOUS CIRCUMSTANCES - INTERESTING TALKS BY RETURNED MISSIONARIES - TO CONCLUDE THIS EVENING.

The twenty-eighth annual meeting of the Cincinnati branch of the Woman's Foreign Missionary Society of the M. E. church, opened auspiciously at the Fourth Street M. E. church yesterday morning, and the day's proceedings were full of enthusiasm and interest. There was present a large number of delegates and visitors when the meeting was called to order, and throughout the day this number was swelled by the later arrivals, so that the meeting which concludes this evening will result in the most successful gathering of a similar body ever held in Wheeling.

The sessions are held in the Sunday school room, which was taxed to its utmost capacity yesterday with intelligent and Christian women, wearing the neat badge of the society. The walls and all places admitting of it are tastefully decorated with asparagus, autumn leaves and potted plants, while the character of the meeting is appropriately set forth by the display of maps of eastern countries, exhibitions of the work of Christianized Hindoo children, etc. A large scroll, containing the names of thirty-two missionaries sent out by the society since 1869, is suspended to the rear of the platform. The Methodist ladies of this city are untiring in their efforts to make the meeting a success, and are entertaining the visitors. The King's Daughters, of the Fourth Street church, are the ushers. Though the lecture room is used for the proceedings, the ante rooms are fitted up with couches and chairs for the accommodation of those who have traveled from a distance, and are in need of rest.

## MORNING SESSION.

The meeting proper was called to order yesterday morning by the president of the branch, Mrs. W. B. Davis, of Cincinnati. After a short devotional exercise the address of welcome was delivered by Mrs. A. J. Clarke, of this city. Her address and the response, by Miss Jessie B. Seovel, of Circleville, Ohio, will be found elsewhere. The introduction and seating of delegates followed, after which the following missionaries were introduced: Miss Frey, of China; Miss Scott, of India; Miss Seeds, of Japan; Mrs. Beadle, of India; Mrs. Richards and Rev. Dr. Teetser, and Mrs. Evans, of C. E. Clarke, B. B. Evans, C. B. Graham and Dr. A. Moore. Temporary committees were appointed as follows:

On enrollment—Mrs. H. D. Bowden, of Cincinnati conference, and Miss Clara Wilson, of Northern Ohio conference. On resolutions—Mrs. T. P. Marsh, of Northern Ohio conference, and Mrs. J. W. Gladdis, of Cincinnati conference. On nomination of delegates to the general executive committee:

Cincinnati conference—Mrs. R. L. Thomas. Ohio conference—Mrs. M. K. Goulding. Central Ohio conference—Mrs. M. E. Cook. Northern Ohio conference—Mrs. Kemble. Eastern Ohio conference—Mrs. Eli Conn. West Virginia conference—Mrs. F. Heermans.

Tennessee conference—Mrs. Sharon. Kentucky conference—Miss Biles. In the reports of conference secretaries, Mrs. James Sherwood, of the mite box committee, reported that 6,812 mite boxes were distributed last year, an increase of 445; reported collections, \$2,038 31, an increase of \$400.

Mrs. J. F. Loyd spoke on the work of the Cincinnati conference division, Mrs. John Mitchell on the North Ohio division, and Mrs. J. B. Jones on the Kentucky division.

Mrs. T. H. Pearce, of Hillsborough, Ohio, gave a splendid talk from the time, "The Entrance of Thy Word Giveth Light." The morning session terminated with the benediction by Rev. A. Moore, presiding elder of Wheeling district.

## AFTERNOON SESSION.

There wasn't sufficient seating capacity when the meeting reconvened at 2 o'clock. The afternoon proceedings were very interesting. The devotional services were in charge of the Central Ohio conference. The following talks on the Eastern Ohio and West Virginia conference divisions, by Mrs. J. K. Mills, of New Philadelphia, Ohio, and Mrs. C. E. Jackson, of Moundsville, respectively.

Miss Leonora Leeds, of Fukuoka, Japan, told of the character of the native Christians and the growth of the native church in Japan.

The educational work in the same country was dwelt upon by Miss Fannie Scott, of Rangoon, India. Both of these ladies have had experience as missionaries, and their remarks were eagerly listened to.

The rest of the afternoon until 4 o'clock was consumed in the "Young Ladies' Hour." This was in charge of Mrs. H. R. Burton and Mrs. Townsend, of Zanesville. The need of young ladies taking an active interest in missionary work was set forth.

## NIGHT SESSION.

The night session was held in the auditorium of the church, and attracted many people who were not present during the day. The programme was entertaining and instructive. A featured being the music of the Fourth Street choir, which was warmly complimented by the out-of-town people.

The proceedings opened with the organ voluntary by Organist Perry. A short devotional service followed, preceding the chorus of the choir, "Father Almighty."

Reports from the treasurers, Mrs. J. C. Kuntz, receiving, and Mrs. Oliver Kinsey, disbursing, were then received. The reports showed:

Balance October 13, 1896, \$5,214 70 Received during the year, \$4,466 36

Total, \$9,681 06 The disbursements were, \$4,913 05

Balance October 13, 1897, \$3,768 01 Mrs. B. R. Cowen, corresponding secretary, made her report. She reviewed the work in the mission fields abroad, and

the work of the auxiliaries at home, and also contrasted the work of the society with what it was in 1878, when it met in Wheeling before. Then there were but three missionaries, only one being in the field, and the work was centered on China and Japan. South America being untouched. The receipts in 1878 were \$12,000, in striking contrast to over \$52,000 in 1897, and while then only \$400 was sent to China and \$124 to Japan, the past year had seen sent to China \$3,920, and \$7,990 to Japan. At present there are over 18,000 members of the Cincinnati branch, another striking example of the growth of the society in the nineteen years compared.

The closing remarks were made by Miss Clara A. Nelson, of Delaware. Her theme was "God's Workers," and she spoke earnestly and eloquently in behalf of foreign missionary work. The difficulty formerly, she said, was in making progress in the mission field; now, it is at home. Support is needed from this country to carry on the cause, and in further elaboration of this point, Miss Nelson spoke of the blessings that would accrue to the giver. The choir sang another selection, during which a good collection was taken up. The audience was then dismissed, with the benediction of Rev. Dr. Sooy. Among the delegates and visitors from a distance are:

## COUNTY AFFAIRS.

This morning the criminal court, Judge Huges, will be in session after a day's recess, and the well known abatement cases will be argued by Messrs. Howard and Smith for the protesting saloonists and by Messrs. Meyer, Nesbitt and Somerville, for the state. There is considerable interest in the outcome of this attempt to invalidate the acts of the recent grand jury, which distinguished itself by bringing in 704 true bills on violations of the liquor laws.

There appears to be a prevalent opinion that Judge Huges has already invalidated the acts of the jury, but this is a mistake, and the entire matter rests on the decision that will be arrived at in the cases that are to be argued to-day. Both sides are confident of success, and cite cases that tend to back them up in their respective opinions.

## NO COURTS YESTERDAY.

There were no courts in session yesterday, circuit courts as well as the criminal court having taken a recess. Both branches of the circuit court will be in session to-day.

## TO THE "PEN."

Sheriff Richards took two Ohio county convicts to the state penitentiary at Moundsville yesterday afternoon, where they were assigned to the care of Colonel Hawk. They were George Deltz, burglary, two years; A. H. Collins, forgery, two years. They were convicted at the present term of the criminal court.

## COUNTY CLERK'S OFFICE.

The following transfers of real estate were recorded yesterday in Clerk Robertson's office:

Deed made May 18, 1896, by Emma S. Paul and husband to Caroline B. Paul; consideration, \$215; transfers of fourteen acres of ground near Woodsdale.

Deed made October 5, 1897, by John J. Kenney et al. to F. W. Koonz; consideration, \$2,410; transfers part of lot 27 in Jonathan Zane's addition.

Deed made February 26, 1896, by W. M. Hutchison and wife to Ohio county board of commissioners; consideration, \$25; transfers piece of land on Wheeling, West Liberty and Bethany pike, about two and one-half miles east of Wheeling.

A marriage license was issued to Jas. R. Marshall, aged 22 years, to Minnie B. Smith, aged 20 years, of Marshall county.

## AMUSEMENTS.

"The Great Train Robbery" made a pronounced hit at the Opera house last night, and it is certain that a large audience would greet it to-night if the engagement were longer than a single night, which unfortunately it was not. Theater-goers are aware that once in a while a show is damned in advance for some reason that cannot be explained when the mistake is known. Such was the case last night. The impression was abroad that "The Great Train Robbery" was "rocky," in the parlance of the gallery gods. The least that can be said is that those who did not see this attraction missed one of the treats of the season. The drama bubbles over with bright sayings, clever impersonations, excellent specialties and magnificent scenery. Every role was well sustained—in fact it is not often so well a balanced company has appeared here. If the attraction comes here again it will get a full house.

## LA MASCOFFE TO-NIGHT.

Never has the charming and tuneful opera of "Olivette" been so well sung at popular prices as last night at the Grand Opera house by the Gonzalez Opera company. The opera was exceptionally well cast and the music and action pleased so well that the applause was almost continuous. The company is making a pleasant impression upon Wheeling lovers of high-class music. This afternoon "Olivette" will be repeated and to-night the company will sing "La Mascotte," the score of which is said to contain more wit and humor than any other comic opera.

It is a matter of congratulation that Wheeling is to have the pleasure of welcoming that band of artists and royal good people, Payton's Big Comedy company. It was first feared that Mr. Payton's company could not play a full week in Wheeling, but hurried cancellations and a readjustment of dates brought about the desired effect, and the excellent company, with tons of magnificent scenery and grand stage effects, will appear here for one week at the Grand Opera house, commencing next Monday night, in "Alone in London."
